

It's back! Lanarkshire Junior Singles League kicks off Competition Calendar for 2024/25

By Lanarkshire Badminton

The Lanarkshire Badminton Group has just launched the Lanarkshire Junior League – August 2024 competition on Tournament software. The format is the same as previous years with junior players from 7 to 18 being eligible to play in a one event in a pools-based format.

We are inviting players from previous editions of the tournament as well as players new to the competition to enter and pay on tournament software using url: [Lanarkshire Junior Singles League - August 2024 | Badminton Scotland \(tournamentsoftware.com\)](https://www.tournamentsoftware.com/lanarkshire-junior-singles-league-august-2024). Alternatively, players can enter using a paper entry form available from Badminton Scotland and Lanarkshire Badminton's websites.

The tournament will be following its usual format with players placed in pools based entirely on playing ability independent of age and gender. Starting order will be based on performance in the previous League Events and for newcomers based on their playing history with Badminton Scotland sanctioned events and relevant results.

We will be playing the event at the newly refurbished Alistair McCoist Complex in East Kilbride. Check is at 12.15pm with play will starting at 12.30pm and finishing at around 4.00pm on Sunday

the 31st August 2024. From this year Badminton Scotland supported events using Tournament Software will automatically check entrants for Badminton Scotland affiliation status. All players will be required to be a member before Tournament Software will enable them to continue through the entry process.

The Lanarkshire Badminton Group looks forward to seeing a big entry for what will be a truly fun day's badminton.
