

Bronze for Waring at the All England Open Junior in Birmingham

By Badminton Scotland

Matthew Waring won men's singles bronze last weekend down in Birmingham in an incredible competitive draw size of 128 at the All England Open Junior Championships.

When asked about his performance Matthew said:

"I think I started a bit slow in the first couple of matches but over the course of the tournament I got better and better with eventually me reaching near my top level in the quarter and semi. I feel really satisfied with the bronze it makes all the training worth it and good little confidence booster."

What's next for Matthew?

"Back to training as always and taking each day as it comes"
